

Actichem PIG

Paint, ink & grease spot removal solution

ACTICHEM PIG is a super strength blend of powerful polar and non-polar solvents for removing tough oily soils, grease and ink.

BENEFITS

- Effective – Super effective at removing inks and texture marks and graffiti.
- Grease & Oil Stains – also provides outstanding action on stubborn grease and oil marks, cosmetics, paint and crayon.
- Non-flammable – non-flammable formula and does not contain chlorinated hydrocarbons.
- Water rinseable – water rinseable formula minimizes residues and re-soiling.
- Pleasant – Low odour formula – pleasant to use.
-

WHERE TO USE

- Actichem PIG is ideal to use on all carpet fibres, fabrics and hard surfaces. However some surfaces are solvent sensitive including some carpet backings, some plastics and polymer coatings.

PRODUCT SPECIFICATIONS

Product code: AP484

pH: N/A

Colour: Clear, light tan liquid

Fragrance: Citrus

Packaging: 500ml & 5Lt

DIRECTIONS for USE

Always pre-test in an inconspicuous location for substrate sensitivity to chemicals.

Do not use on solvent sensitive surfaces including bitumen backed carpeting.

Application:

1. Sponge or scrape up any surface spot material.
2. Apply Actichem PIG to a clean white absorbent cloth and apply to spot.
3. Actichem PIG can also be applied to severe stains using a trigger spray bottle.
4. Blot or tamp to remove spot. Do not rub. Deep spots may need light brushing. Work from outside to centre of large spots.
5. Repeat if necessary.
6. Extract with warm water or an emulsifier solution.
7. Brush fabric to align fibres.

Note:

For oily spots and paint, Actichem PIG can be added directly to the spot. Follow by agitation and blotting or wet extraction.
